

THE BUZZ CAFE

Might we have a rectal Microbicide before a vaginal one?

Dr Carolina Herrera from St George's University will speak with us about their recent findings on rectal microbicides research. What is the next phase of this research? Does this give us cause for hope? What is our role in rectal microbicides advocacy?

Thursday 4th December 2008

10.00am - 12.00pm

Starbucks Coffee

Unit 3A, 1 City Road, London, EC1Y 1AG

R.S.V.P. your attendance to mariama.kamara@ahpn.org
